

## **SEW & SEWS REPORT**

Sew & Sews started as a 'get together' group for anybody who wished to meet up, have a drink and a chat, whilst at the same time doing a craft/hobby (not that that is essential).

We started three years ago using the church rooms. We meet on a weekly basis with a variety of hobbies taking place, card making, sewing, knitting etc. Between 6 and 20 people can turn up and it's open to anyone, which means we have a mixture of Christians and non-Christians attending. Three/four times a year we will either go out on a trip or enjoy a meal.

There is no formal approach in evangelising within the group however very often there will be Christian conversation taking place whilst others are listening and/or expressing opinions and there have been occasions when some members have asked questions, attended church or supported church events. So we are thankful to God that the group continues, that it is time enjoyed by all who attend and more importantly a time for actions and words to reflect the One we serve.
