

## **Über report**

**April 2010**

Über is a house group that caters for those within our church who are in their early 20s. So, if that's you – do come along!!

During term time, there are fewer of us, but the group grows as those who are away at university return in the holidays!!

We meet fortnightly, on Thursdays, joining together to go deeper into the bible and support each other in prayer. We have spent the last few sessions looking at the miracles of Jesus, leading up to the miracle of the resurrection at Easter. We also have also used movie clips linked to bible studies, spent a couple of weeks working through the book of Ruth and done a series on good vs evil.

We try to have an Über social once a month, usually involving food or a trip to the pub!

We are trying to be more outward looking and servant hearted as a group and a few of us were able to get involved with helping out practically with the recent marriage course. We also hope to visit Betel soon.

Generally Über is going well! We can be low on numbers some weeks due to university, week night jobs and the pressures of work, but those who attend regularly have really gelled as a group and I think Über is serving its purpose for those members!!!

Big thanks to Mitch Chantler for all his support and help with leading the group and to Em, Josh, Watto and Dan C-H for their regular sharing, debating, support, ability to go off the point, eating rocky road and generally being so very lovely!! Thanks to those students who come along when they're home too! It's great to be part of a group that is made up of such a lovely bunch!!
