

## Noah's ark

Noah's ark is such an exciting place to be on a Thursday morning! We have loads of families turn up, lots of old faithful mums\`nans and at least one or two new people each week. We think the fresh coffee and scrummy breakfast helps!

We raised over £200 a few weeks ago for Ben Sambrook's charity for brain tumour research, thanks to everyone who turned up for coffee and cakes. We have 2 new helpers this term, Deb Floyd and Sarah Hughes; they are a real asset to our already hard working volunteers.

We weren't able to do our Easter fun service this time in church due to the school using the church. Our next one will be at the end of the summer term. Please pray that each week we will be good friend, good listeners and more importantly that we find ways of showing the love of Jesus to our parents.

Thanks, God bless,

Irene Standerwick, Annette Cook, Pauline Stanford, Liz Smith, Natalie Andrews, Jo Yarnall, Sarah Hughes, Deb Floyd and Eliza.
