

## **St Mary's Football Team**

Last season, 2008/09 was another successful season for St Marys. At the beginning of the season we won the Charity Shield, where the winners of the season before cup and Division One compete in (we won the cup in the 07/08 season).

We then went on to win the Division One title, for the first time!

We also made the cup final (which we won the 2 seasons in a row before that), but lost in the final.
