

Child Protection at APC

I have continued in my role as Child Protection Coordinator and am happy to carry on if the church wishes me too.

Major changes are being rolled out with regard to the Vetting and Barring Scheme which will affect everyone, whether a volunteer or paid worker. More information will be available over the next few months, as the procedures become part of the recruitment and appointment procedures.

During the year we have worked in conjunction with Tunings Lane Church in delivering the Child Protection Training that everyone who works with our children and young people are encouraged to attend. Members of the congregation may also join us. The next training session is with St Thomas' and will be on May 15th at St Thomas' church.

The protection of our children and young people must remain a priority for all of us, if you are due for renewal of your CRB due this year please complete the documents and return them to me as soon as possible.
