Hope Healing Home Beijing

Update November 2008

Dear Friends and Supporters,

This month Rob and I were invited to Tennessee to Shaohannah's Hope Annual fundraising dinner to promote Maria's Big House of Hope as well as advocating for orphans. We were also invited to Hong Kong to attend China Orphan Outreach's funding raising event and enjoyed a very pleasant, impressive musical evening. The surgeons and members of COO have been very generous, using their time, funds and expertise to care for many of our children. We are glad to be closely associated with both these organizations to raise the standard of care of the children. On a personal note, November 28th was our wedding anniversary and we have been married for 21 wonderful years. We thank God for giving us each other, to serve Him according to His will.

1) Hope Healing Home Beijing

Matthew returned to Beijing after a complicated bowel surgery. He will need more surgery when he is fully recovered. **Adam** remains in Suzhou, still not well enough to return to Beijing. We sent **Rona**, **Rubel** and **Oliver (II)** to Hangzhou for heart surgery. Sadly Rona died in the Intensive Care Unit a few days after surgery and the surgeons decided that Oliver II was not a good candidate for surgery because of his progressive muscular disease. He has been moved to our Hospice care unit in Henan province. Rubel has been transferred to a hospital in Shanghai as they are better equipped to handle his case. **Ben** went to Hong Kong for bladder surgery and is expected to be there about 2 months. **Kobe** with a complex congenital heart condition and imperforate anus passed away peacefully.

2) Maria's Big House of Hope

Rob visited the site and they are nearly done with the internal fittings and painting. The next step will be equipping it then moving the first batch of children in. We will keep you updated.

3) Love Without Boundaries Shunyi Outreach Foster Program.

Matthew II and **Henry** have been moved to foster care after their clubbed feet were fixed.

4) NHF Special Care Units, Jiaozuo, Luoyang and Xin Yang, Henan Province: (75 beds)

These units provide humane and loving, hospice care for infants and young children with severe congenital defects who are unlikely to survive under normal circumstances. Those who survive are unexpected blessings.

Jiaozuo ; **Anfernee** a 10 day old little girl was admitted. **Mike** died peacefully.

Luoyang . **Dwight**, **Miriam**, **Patricia** and **Lana** passed away peacefully. **Ned** a premature baby, **Willow**, **Missy** and **Mikaela** with a heart disease were admitted. **Judah** was sent to Zhengzhou for emergency surgery and is doing well so far.

Xin Yang **Penelope** passed away and **WC Chen**, **W Bo**, **WZ Zhen** and **W T Tian** were admitted.

6) Our Most Sincere Thanks:

We know how difficult things have been financially for many of you and we are very grateful for your continued support during this time. It means a lot to us that even in your adversity, your hearts are still with the children. We specifically would like to thank Tudor Investment Group this month, for their generous donation.

7) Our Needs:

This month we are laying down our many needs to Our Father as He has been our provider. If you feel specifically called to help, please email us or check our website for on-going needs.

With our deepest gratitude

Joyce and Robin Hill
