Hope Healing Home Beijing

### Update October 2008

Dear Friends and Supporters,

This month we have had the pleasure of yet again hosting a group of autistic children from the Pathlight School in Singapore. These children are amazing and their teachers and carers deserve medals for the loving care they provide the kids. We also received visits from the Collette group and several individuals, local and overseas groups. There has been a lot of movement of children this month. It's not easy handling this number of children yet the needs are overwhelming.

#### 1) Hope Healing Home Beijing

5 children below went to Suzhou to have surgery with visiting surgeons from Hong Kong. All but **Matthew and Adam** are doing well. Matthew had some post-operative complications and had to undergo urgent surgery for a second time. Please keep him in your prayers. **J M Zhou, HJ Xiang and Rudy** have returned well. **Jasmine** went to Hong Kong to have her bladder assessed.

We are very grateful to all those involved who have enabled us to facilitate surgery for these two beautiful little girls. We are hoping that adoption will be the next step for them.

- 3) We are in need of outdoor winter clothes aged 0-5 years
