Hope Healing Home Beijing

Update April 2010

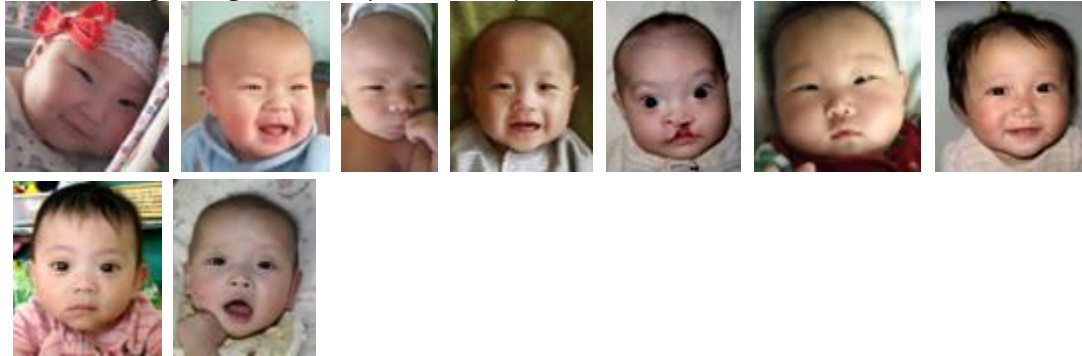

Dear Friends and Supporters,

The renovations of our new unit in Jiaozuo's new SWI building are now complete and the SWI says that they will move the whole SWI to the new building in May. Murals are now being painted on the walls and I am hurrying to finish up the quilts for the babies beds. We are very grateful to Show Hope who has offered to pick up the running cost of this unit. They will decide later what to name it.

The workers will now head to Zhengzhou to prepare a new unit there.

The COO/MedArt team from Hong Kong went to Suzhou University Children's hospital to operate on three of our babies needing neurosurgery. **Brielle, Cadence** and **Yesus**. They are having some complications which the doctors are dealing with. **Emmanuel** and **DT Xiao** went for heart surgery in Shanghai. Emmanuel is back in MBHOH and is doing well. DT Xiao is still in hospital at time of writing. **Joely Hope** has returned after emergency brain surgery in Hong Kong and she is doing well. **Jude** was the next child to go to Hong Kong for investigations and possible surgery. We are very grateful to Sue Sharp who has so willingly flown all the way from the UK to care for Jude. Sue and her mother Sylvia are extraordinary ladies who help us in this capacity. **DH Peng** who was admitted for urgent spinal surgery to a hospital in Beijing sadly did not make it. He died of massive infection. We are very sad to lose him. We had high hopes for his survival. **DX Zhi** who was admitted last month, has a very complex heart condition and we are getting several specialists opinions as to what can be done for him.

Adoptions:

Eli, Joy Hannah, Ethan Abraham, Matthew and GZ Wei have left us to prepare to be picked by their new families. Jack was returned to his SWI in Shandong Province in exchange for another baby needing surgery. We hope that they will move along with his dossier as he could very easily be adopted.

3) NHF Special Care Units, Jiaozuo, Luoyang and Xin Yang, Henan Province:

These units provide humane and loving, hospice care for infants and young children with severe congenital defects who are unlikely to survive under normal circumstances. Those who survive are unexpected blessings.

Luoyang (Maria's Big House of Hope.) This month 16 new children were admitted, Calvin and Wells passed away peacefully and 5 were returned to the CWI at their request.

Jiaozuo: Gina, Herald and Emy were returned to the SWI in much better conditions compared to when they first arrived and Betty , Christian and Floyd were admitted.

Xinyang (Alexandra Yeo and Open Arms Children's Foundation Unit) Mikko and Jake were sent back to the SWI in good condition and 5 new babies were admitted. We lost Love who passed away not long after admission

Love Without Boundaries Heartbridge Rehabilitation Unit(18 beds)

Candace and Caroline were admitted this month for post operative care. Caroline and Marshal are being investigated for eye problems that will require surgery.

Our Needs

- 1) We are always in need of funds for Surgeries and Medical care as these are the kind of children we are attempting to help. Any contributions, large or small toward this would be gratefully accepted. If anyone would like to contribute towards the medical or

surgical care of a specific child, please let me know. The hospital costs need not be covered totally by one person.

- 2) Hospital fees for **Julia Grace** of \$950
- 3) Hospital fees for **DT Xiao** of \$10,000
- 4) **Our Most Sincere Thanks:**
 - a) Australian Embassy for a generous donation for the renovations of the unit in Zhengzhou
 - b) Rejean Cote a teacher at the International School of Beijing who hosted a wine-tasting to raise funds for us. Rejean does this faithfully every year.
 - c) All those who have sent and are still sending in the clothes for the babies. Over these next few months we are expecting to admit about 100 new babies.
 - d) To all those who are sending us the much needed colostomy bags.
 - e) Sherri R. and Amy P for their generous financial gifts
 - f) Students from ISB and IAB who planted flowers in our gardens this Spring..

With our deepest gratitude

Joyce and Robin Hill
