

Getting There!

Things are slowly moving forwards inside our church as well.

We have now received the permission we need to remove the old organ and as part of the overall development this will be replaced by a modern organ.

Once the old organ is removed we will be able to move ahead and create our new drinks area and more storage.

Getting There...

- Living*
- Changing*
- Encountering*
- Simplifying*
- Trusting*
- Healing*
- Relating*

Tuesday Nights 8pm
September 22nd
October 13th, 20th
November 10th, 24th
December 8th

At last it is beginning to feel that we really are 'Getting There' but there is still much to do and much to trust God for. That is why we are spending time with God together as a church on Tuesday nights over the next few months.

Richard reminded us at our first meeting that it is time to stop and be quiet. We believe that as we re-focus and re-connect with God and each other we can become more like the people God created us to be.

Please join us as we seek to move forwards together with God's plans.
